TRY TWO WIFE-MURDERERS
Six Colored Boys Arrested on Charges of House-Breaking.

Times-Dispatch Bureau.
109 North Sycamore Street, Petersburg, Va., April 21.

Nathaniel P. Inge, aged about twenty-one years, an employee of the Seaboard Air Line Railway, ended his life last night by drinking a quantity of carbolic acid. The act was committed at the home of his sister, Mrs. M. Wells, on Commerce Street. The poison was taken about 9 o'clock, and notwithstanding the fact that a physician was promptly called to attend the suffering man, and that everything possible was done for him, death resulted shortly after midnight. Dependence is supposed to have been the cause of the act. On March 23 Charles Wells, brother-in-law of Inge, ended his life in the same manner in the same house. In October his father committed suicide in Danville by drowning. Young Inge was a member of the Petersburg Grays.

Trial of Two Alleged Wife-Murderers.
The Hustings court met this morning, disposed of several minor criminal cases and adjourned over until to-morrow, when the case of the Commonwealth against Abraham Mason, indicted for the murder of his wife, will be tried. Mason is alleged to have killed his wife without provocation, beyond the fact that she deliberately shot her because she wanted to pay more money than he seemed willing to do as premiums on insurance policies on her life. The local insurance agent was present when the shooting took place. The woman lingered in the hospital for several days before her death.

On Tuesday next the famous case of Julius A. Williamson, indicted for the murder of his young wife, Mrs. Parthena Williamson, on the 9th of June of last year, will be tried, with the law firm of Peck & Peck, of Richmond, as his counsel. The indictment charges Williamson with the murder of his wife by the administration of poison in her food. The defendant has already pleaded guilty to the charge of bigamy, for which sentence of imprisonment for one year was imposed. He has been suspended under the verdict in the murder trial. Williamson's wife is living in Texas.

Dr. Taylor, of Richmond, who analyzed the viscera of the second wife and found poison, will be an important witness at the trial.

Wanted in North Carolina.
J. M. Beckwith, an educated negro, and a man of considerable property at Smithfield, N. C., was arrested here this morning by Detective Eames for the authorities of that State. He is charged with having been in the law in charged with in that dry territory. This occurred about six months ago, and Beckwith was put under \$300 bond for his appearance for trial.

He jumped his bail and left the State, and ever since has been following his trade of carpenter in Petersburg. He had only just been located here when arrested. Beckwith is a graduate of a Northern college, and was a classmate of Booker T. Washington, the great Southern colored leader.

Children in Crime.
Six colored boys, ranging in ages from ten to fourteen years, were prisoners in the Police Court this morning charged with housebreaking and robbery, to which they confessed, and for which they were sent to the House of Correction for trial. Their names are Robert Lee, John Carpenter, Percy Coker, Arthur Miles, Bumpsey Miles and Frank Cross. Last night by means of a false key they entered a store on Halifax street and stole several dollars' worth of cigarettes, some money and other articles. In their possession was found a large bunch of keys of different sizes, which they used in entering houses, and they are suspected of other robberies.

Boys of both races have been arrested so frequently recently for crimes that the courts hardly know what to do with them. Some have been sent to the reformatory and some have been jailed or whipped by their parents, but the matter is troubling the courts and that very seriously.

The Episcopal Convocation.
The Central Convocation of the Protestant Episcopal Church of the Southern Diocese of Virginia closed its three days' session to-night, with a missionary meeting, at which foreign missions were discussed by the Rev. By good work the department saved the factory from damage, though the boiler and smoke stacks fell. The fire is supposed to have caught in some waste from the furnace.

Some 1,500 to 2,000 farmers, representing all parts of the State, are expected to attend the State Institute, which is to meet in Petersburg August 9-11, and preparations are already being made for their reception and entertainment. It will be a great and important body of practical men.

The Confederate memorial windows just erected in Blandford Church will be dedicated until after the veterans' reunion in Mobile. It is desired to confer with the several States as to a convenient time for the dedication.

The Stratford Hotel, the successor to the historic old Bollingbrook Hotel, will be sold at public auction to-morrow, and much interest is felt in the community as to the sale of this valuable property.

Matrimonial Event.
At 6 o'clock last evening at the home of the bride's mother, Mrs. Alice E. Myers, on Jefferson Street, Miss Mary Ida Myers was married to J. H. Boyd, of Ledley. The Rev. W. C. Taylor, D. D., assisted by the Rev. Thomas R. Reeves, officiated. The bride was given away by her brother, T. S. Myers, and her only attendants were her sisters, Mrs. T. S. Myers, as matron, and Miss Blanche Myers, as maid of honor. R. H. Boyd was his brother's best man. The wedding, though quiet, was a very pretty one.
